Making a claim for PIP - example PIP2 form

Claims to Personal Independence Payment are started over the phone by calling the PIP new claims number - 0800 917 2222 (or text phone 0800 917 7777).

Once the claim has been registered, DWP will send the claimant a PIP2 ‘How your disability affects you’ form for completion. You'll see that the form is personalised with the details of the individual claimant.

Forms cannot be copied or used for other claimants. An example of the PIP2 form is included overleaf for information only. Please do not try to use printed versions of this form.

You can find out more about the claim process and how it works in the toolkit for support organisations at www.dwp.gov.uk/pip-toolkit. The toolkit contains factsheets, example copies of claimant letters and a range of support to help you offer the best advice to the people you work with.
Dear Mr Walsh

We understand you're acting for Mr Alen Smith. The information in this letter is about him. In this letter, we use the word 'you' as if we were writing to them directly.

Thank you for your claim for Personal Independence Payment.

What we want you to do

Please fill in the enclosed form. You must return it to us by 13 September 1967 if you wish to continue with your claim. You'll need to tear off this letter from the front page of the form; you don't need to send this letter back.

On the last page of the form you'll see the return address. Place the form and any other information you wish us to see in the envelope provided so that the address shows through the window of the envelope. The envelope we've sent you doesn't need a stamp.

The form asks about any health conditions or disabilities you may have and how these affect you. Please ensure you complete the form as fully as possible to enable your claim to progress.

An information booklet is included which tells you about the questions we ask, why we ask them and gives you help with how to answer them and examples of what you can tell us. You don't need to return the information booklet.

Please send copies of any medical reports, care plan or letters from your doctor, consultant or health care professional, or other information you wish us to see, with this form.
What is enclosed:

- form - 'How your disability affects you'.
- information booklet,
- return envelope and reply slip.

You can find their details online, at your local library or in the telephone directory. If you think you’ll have difficulty completing your claim that will cause a delay, please contact us on the number on the front page of this letter. To help you fill in the rest of the form

In the enclosed Information Booklet we:

- explain the questions we ask,
- give advice on where you can get help to complete the form,
- tell you how to answer the questions, and
- give you examples of other things you can tell us.

Where you see ① you can use the Information Booklet to help you understand and answer the questions.

What you need to do

- Complete this form in ink.
- If you're filling in this form for someone else, tell us about them, not you.
- If the impact of your health condition or disability varies, you may find it helpful to complete a diary to help explain your needs. ① Page 3 of the Information Booklet gives advice on how to do this.
- It is very important that you provide us with any relevant evidence or information you already have that explains your circumstances. This might include prescription lists, care plans, reports or information from professionals who help you, such as a GP, hospital doctor, specialist nurse, community psychiatric nurse, occupational therapist, social worker, counsellor, or support worker.
- Please send photocopies of any evidence with this form. If you receive any additional evidence or information which may help with your claim at a later date, please send it to us as soon as possible. ① Go to Page 3 of the Information Booklet for additional guidance on what information to send and how you can send it to us.
• Don't delay sending any evidence to us as this may mean:
  • We may not be able to get all the information we need on which to make a decision on your claim which accurately reflects your daily living or mobility needs.
  • We may need longer to assess your claim.
  • You may be required to see a health professional to be assessed when it may not have been necessary.

Please list below the documents you’re sending with this form.

Tear off the letter on the front page; you don't need to send it back. On the last page you'll see the address to return this form. Place this form in the envelope provided so that the address shows through the window. It doesn't need a stamp.

We may also need to seek additional information and evidence from professionals who know you.

Q1 Please tell us who are the professional(s) best placed to advise us on your circumstances. For example, a GP, hospital doctor, specialist nurse, community psychiatric nurse, occupational therapist, physiotherapist, social worker, counsellor, or support worker?

- If your needs vary, tell us in what way and how often - for example telling us about good and bad days or how it varies throughout the day.

 Tell us about any help you (or someone who may accompany you) would need if you have to go for a face to face consultation. This will help us ensure your needs are met or consider if a home visit would be needed. For example tell us if:

- you / they can’t get up and down stairs,
- you / they have difficulty travelling or using public transport,
- you / they have communication needs and what support you / they will need, and
- you / they need accessible toilets.

 Please be specific about the needs you / they have.
