

Trustee Vacancies with Knowsley Disability Concern

Are you looking to get involved with the charity sector and want to make a positive difference to your local community?

Knowsley Disability Concern (KDC) is a well-established charity with a strong reputation locally, providing a range of support services to enable people with disabilities to be independent and have choice and control over their lives.

The challenge for KDC is to manage the ever-increasing demand for our services whilst improving our long-term sustainability.

The role

We are seeking to appoint two new trustees to support KDC's vision and mission and ensure it is effectively led. We are particularly interested in individuals who can bring expertise and experience in the areas of Fundraising/Income Generation and Marketing.

You will be creative, pragmatic, enthusiastic and optimistic and able to contribute positively as a member of the Board of Trustees. You will relish the challenge of growing the Charity, working with limited resources and thinking laterally to improve and sustain a valued and effective service.

The Time Commitment

KDC requires its Trustees to be willing and able to attend four Board Meetings a year. Wherever possible, these meetings are organised outside of the normal working day. In addition there is an annual 'away day' which the Trustees set aside to discuss long term strategic issues outside of the board room. Opportunities to participate in workshops and training and development activities can be taken up at the discretion of the individual Trustee.

For more information contact Joyce Greaves, CEO/Manager on 0151 480 4090 or email joyce.greaves@kdc.org.uk. Click [here](#) for full role description
