

Planning for the Future

4 December 2013

10.00 a.m. – 12.00 p.m.

KDC are holding a free information seminar on how to take care of someone with a learning disability when you are no longer around - by setting up a trust or making a suitable will.

A local solicitor with experience of drafting wills and trusts for the benefit of people with a learning disability will be present at the Caldwell Centre on 4 December from 10.00 a.m. until 12.00p.m.

This is an ideal opportunity to ask any questions that you may have with regards to your family will.

The seminar will be followed by the Direct Payments Peer Support Group meeting.

Contact Diane Thompson or Johanne Ross on 0151 480 4090 to reserve your place on the seminar.
